Research purpose (one or two sentences)

_____

_____

Responsible use commitments

1. I will use CardioLens for lawful, non-commercial research and follow its published license and access terms.
2. I will not attempt to re-identify patients or disclose any identifiable patient information.
3. I will safeguard the data and my access credentials, and follow applicable privacy obligations.
4. I will not use the dataset for direct clinical diagnosis, treatment, or other patient-care decisions.

I have read and agree to the commitments above.

Signature _____ Date _____

Submission: Request access on Hugging Face and email the signed PDF to zixian12138@163.com (include your Hugging Face username).
